

OSHA Recordkeeping Webinar

The EI Group, Inc. (EI) invites you to attend our upcoming webinar, entitled “OSHA Recordkeeping: Remove the Mystery” presented by Mr. Bill Taylor, CSP.

This webinar is intended to help attendees gain an understanding of OSHA injury and illness recordkeeping. For those who are new to OSHA recordkeeping or just want a refresher, it covers the basics. If you are more interested in an update, we will cover OSHA’s most recent recordkeeping interpretations. Presented in an interesting and clearly understandable delivery, with lots of actual examples, you will walk away with a better understanding of how to maintain your OSHA form 300.

About the Presenter

Mr. Bill Taylor, CSP of The EI Group, Inc. is a Certified Safety Professional with more than 33 years of experience. Mr. Taylor holds a degree in Manufacturing Engineering as well as additional studies in Occupational Safety and Health Management and Ergonomics and has received notable awards for published articles and speaking engagements in the safety and health field. He is also the author of *Environmental, Health and Safety Management Using the Team Approach* (Wiley & Sons, 2005).
